TRADITION, HERITAGE AND AUTHENTICITY

TRIBUTE TO OUR RURAL PAST

Hotel Tossal d'Altea is a traditional hotel and gastronomic establishment located on a 200-year-old olive oil mill in Altea. So, this historic building has been restored and it was a farmhouse and a farm of olive, almond and orange trees known as "Almàssera de Guillem". Located just 500 m. from the popular "Casco Antiguo" or also known as Old Town (Well of Cultural Interest as a Historic Site), this family run hotel retains the atmosphere of old time to move to the rural Altea that defends the local values and the memory of our ancestors.

Therefore, we recommend you to stay in our nice and rustic rooms, taste our Mediterranean cuisine at our Restaurant, visit the landscapes of the Sierra Bernia and Puig Campana, soak up the aroma of tradition, savor and smell the olive oil, relax in our rural environment, or take a walk to the "Casco Antiguo", home of artists and bohemians... And if you are part of a group or want to organize a retreat, a congress or a workshop, we will love to know your project.
